

Unless otherwise specified, all power and/or utilities will be installed at a single location:
 At the back of the booth (in-line or end-cap booths), or in the most convenient location for DECC. (island booths).
 Service Location Labor refers to each point where services are placed within your booth. (see order form)
Please show desired service locations using legend below.
 Additional charges will apply if electrical service is needed in specific/multiple location(s) within your booth
 and/or connection to exhibitor equipment or ran through structures.

For Additional Information please refer to DECC Terms and Conditions
